I am still working on the rat problem I hope to have that information for the meeting attached to report

I have still not received payment from dollar General for fire inspection done on 1/11/24

I have two complaints one tall grass and one for appliances in their yard both have an order sent out to deal with the issue

No new building permits this month

I have attached the rules under Village Law and highlighted a couple of things for everyone to see for the duties of owners and occupants and penalties for offenses

I am taking my in-service training for the year

Thank you to the Ladies in the office for all the help
