Reporting on code enforcement activities for Aug.- Sep. 2024

I was able to get the couches finally removed from main St. the owner was not happy but got it done

I am working on fire inspections for the rest of the year I have several coming up in the next couple months

I have just started looking into a complaint about a fence and unregistered vehicles

I issued 1 new building permit for a 12X24 shed at 3627 Sate Route 10

I am dealing with one tenet living in the end who is not aloud to be in that end of the building the owner is getting him out just waiting for an update from him.

I am taking my in-service training for the year

Thank you to the Ladies in the office for all the help
